

“Excellence in Electron Microscopy Awards”

Timelines:

- May 1st, 2017 - PROPOSALS DUE
- May 12th, 2017 - Award Notification
- June 30th, 2017 – All funds must be spent within Electron Microscopy Core
- September 1st, 2017 - Reporting
 - All work must recognize EMC staff contributions whether presented or published.
 - All work must acknowledge EMC and the Office of Research for supporting their studies.
 - All work must be submitted to “Late-breaking abstracts” by June 28th, 2017 for a poster presentation given at the 2017 Microscopy & Microanalysis meeting in St. Louis, MO August 6-10th, 2017.

Proposal Guidelines:

- Completed Coversheet
- Proposal (3 pages, 12 point font, 1” margins. Page 4 should contain references)
 - Intellectual Merit
 - Broader Impacts
 - Connections to EMC and microscopy/microanalysis
 - Include the following in the discussion
 - Overall hypothesis or goals
 - Specific objectives
 - Approach & Feasibility
 - Expected outcomes
 - How this research will be leveraged by both the PI and all listed Co-Investigators for peer-reviewed publications and subsequent submissions for specific competitive extramural funding
 - Possible future/current collaborations or connections
 - With Electron Microscopy Core
 - Other Research Core Facilities & Centers
 - Foundations
 - Businesses
 - Individuals

Eligibility:

All ages, levels, and titles are encouraged to apply.
