

“Excellence in Electron Microscopy Awards”

Timelines:

- October 2nd, 2017 - PROPOSALS DUE
- October 16th, 2017 - Award Notification
- June 22nd, 2018 – All funds must be spent within Electron Microscopy Core
- July 1st, 2018 - Reporting
 - All work must acknowledge this funding, EMC and the Office of Research for supporting their studies.
 - All work must recognize EMC staff contributions whether presented or published. Please notify us the meeting/date and provide EMC with a copy of the abstract/poster.
 - Summary reports including representative figures and headshots of the recipient will be submitted to the Director for promotional purposes (website, etc).
 - Work can be submitted for a poster presentation given at the 2018 Microscopy & Microanalysis meeting in Baltimore, Maryland August 5-9th, 2018.

Proposal Guidelines:

- Completed Coversheet
- Proposal (3 pages, 12 point font, 1” margins. Page 4 should contain references)
 - Intellectual Merit
 - Broader Impacts
 - Connections to EMC and microscopy/microanalysis
 - Include the following in the discussion
 - Overall hypothesis or goals
 - Specific objectives
 - Approach & Feasibility
 - Expected outcomes
 - How this research will be leveraged by both the PI and all listed Co-Investigators for peer-reviewed publications and subsequent submissions for specific competitive extramural funding
 - Possible future/current collaborations or connections
 - With Electron Microscopy Core
 - Other Research Core Facilities & Centers
 - Foundations
 - Businesses
 - Individuals

Eligibility:

All ages, levels, and titles are encouraged to apply.

Submission:
